## What is Stammtisch?

Stammtisch is an online get-together for nurses, midwives and other healthcare professionals who have an interest in speaking clinical English. Meetings occur every month via Zoom and are completely **FREE** to attend. 'Stammtisch' is a German word for a regularly booked table at a pub, and that's exactly the type of friendly atmosphere you can expect! The meetings are hosted by Sabine Torgler, Director of English for Nurses, a German overseas nurse who has lived and worked in the UK for many years. We welcome healthcare professionals of any nationality or background, and meetings always take place in English. We're really looking forward to meeting you!

## Why attend a free Stammtisch meeting?

- Speak English in a relaxed, non-pressurised environment. Make new friends!
- Improve your language skills and build confidence.
- Ask Sabine questions about clinical English vocabulary.
- Discuss any specific anxieties about speaking English.
- Meet other like-minded nurses, midwives and other healthcare professionals.
- Share your own knowledge and experience, and learn from others.

## How do I sign up?

We announce the dates of the meetings every month on Facebook, Twitter and the English for Nurses website. You can sign up by sending us a message on Facebook or by emailing Sabine.
